

SATELLITE RADIO BENEFITS ME BY KEEPPING ME INFORMED OF ROAD AND TRAFFIC CONDITIONS AHEAD. IT HELPS KEEP ME FROM SITTING IN TRAFFIC JAMS THEREBY REDUCING AIR POLUTION,REDUCES STRESSFUL DRIVING SITUATIONS, AND GENERALLY IMPROVES QUALITY OF LIFE IN MY JOB AS A TRUCK DRIVER.

I HAVE TRIED IN VAIN FOR YEARS TO GET LOCAL CONDITIONS BY TUNING TO AM AND FM STATIONS ONLY TO SEE THE QUALITY OF NEWS AND GENERAL PROGRAMMING TO DETERIORATE TO LOWER AND LOWER PLATEAUS.

WHETHER I LISTEN IN LOS ANGELES OR CHATTANOOGA I HEAR THE SAME ANNOUNCERS THAT ARE SITTING IN TULSA,PEORIA,OR GOD KNOWS WHERE PRETENDING THAT THEY ARE LOCAL NEWS PEOPLE GIVING THE SAME RECORDED SPIELS OVER AND OVER.

THANKS FOR TAKING MY COMMENTS
